~As some of you know, Mrs. Schwering will not be returning next year so she can stay home with her little boy. We are very happy that she will have this opportunity and want to wish her all the best. She knows our doors are always open anytime she wants to volunteer or visit!!

~We are excited to announce that Mrs. Heather Sherman will be our 3rd grade teacher next year. Mrs. Sherman is currently here as our RTI teacher, so she knows the students, the staff, and the school. She has immersed herself into the school this year and has been more than willing to help out however she can to help our students succeed. Additionally, she has attended many of our after hour events such as Italian Night, music concerts and the Gala, so you might have seen her or met her already. She is truly a member of our school family and we feel the transition will be seamless. If you see her between now and the end of the year, please welcome her to her new role at St. Mary!!

Account statements with balances went home this week. All accounts have to have a zero balance to release final report cards.

If you are applying for a choice Scholarship (voucher) or SGO please send in your tax returns.
